**Explanation of Responses:**

- On September 9, 2016, the reporting person converted share units held by him in the Issuer's Profit Sharing and Savings Plan into shares of common stock of the Issuer and then transferred those shares of common stock into his individual retirement account through a rollover transaction. Although the conversion was reported in a Form 4 filed by the reporting person on September 13, 2016, subsequent Form 4s filed by the reporting person on February 14, 2017 and March 7, 2017 continued to erroneously report holdings in the Issuer's Profit Sharing and Savings Plan. This amended Form 4 is being filed to correct those errors.
- These derivative securities may be exercised at any time.
- These derivative securities do not have any expiration date.

**Remarks:**

This Form 4 is being signed by the reporting person's attorney-in-fact pursuant to a previously filed limited power of attorney.
