## Explanation of Responses:

Units<sup>(1)</sup>

(3)

01/29/2009

1. The reporting person participates in the MGIC Investment Corporation Deferred Compensation Plan for Non-Employee Directors under which units corresponding to shares of Common Stock of the Issuer ("Share Units") are awarded to the reporting person. The Share Units are settled in cash, generally at the time the reporting person ceases to be a Director of the Issuer, unless a qualified election for earlier distribution is made by the reporting person. 2. Due to a rounding error in the original Form 4, this amended Form 4 is being filed to correct the number of Share Units acquired by the reporting person in this transaction and to correct the resulting number of Share Units beneficially owned by the reporting person following this transaction. The number of Share Units acquired in this transaction was erroneously rounded down to the nearest whole share. This amended Form 4 corrects the number of Share Units by adding in the fractional share that was missing due to rounding in the original Form 4. Pursuant to Instruction 9(b) to Form 4, only the lines of the original Form 4 requiring correction or amendment are being restated on this amended Form 4.

3. These Share Units do not have a specified dollar-denominated exercise or conversion price. (Their value is based, on a one-for-one basis, on the price of the Issuer's common stock on the New York Stock Exchange.)

4. These Share Units are subject to certain restrictions, and vest when such restrictions lapse. The restrictions generally lapse on April 1, 2010.

5. These Share Units do not expire on a fixed date. Under certain circumstances, the Share Units are subject to forfeiture if the reporting person ceases to be a Director of the issuer before the lapse of restrictions on the Share Units.

6. These Share Units were awarded to the reporting person pursuant to the Issuer's 2002 Stock Incentive Plan and no price was paid by the reporting person for the Share Units.
